

Call For Presentations: Paramedicine Across Canada Expo 2022

We are now accepting speaker presentations for consideration at PACE2022, scheduled for September 7-11, 2022 in Saskatoon, Saskatchewan

The PACE2022 conference program features timely, thought-provoking and educationally sound topics that are relevant to paramedics, critical care providers, Paramedic educators, Paramedic medical advisors, Paramedic administrators and managers.

Pre-Conference workshops are offered on September 7th and 8th

The majority of core conference sessions at PACE2022 are 60 minutes in length, including time for Q&A.

Proposals are due no later than May 15, 2022, at 11:59PM!

Submit your presentation(s) by May 15, 2022, at 11:59 PM to program@pac-expo.ca. The selected submitters will receive an e-mail notification of participation by July 1, 2022. If your submission was not selected, you will be notified via email.

Additional Proposal Considerations:

Members of the Program Advisory Committee evaluate all proposed presentations based on the following criteria:

- Overall quality;
- Relevance to the Paramedic community;
- Well-defined focus within the program track outline
- Timeliness of the topic;
- Speaker qualifications;
- Top consideration is given to new, high-quality and/or timely topics not previously presented at past PACE Conferences.

Checklist:

Proposals MUST include:

- A description of your prospective conference session, including course objectives;
- A short bio highlighting your experience and education (to be used for promotional purposes and materials)
- The names and post-nominals of each speaker/instructor
- High-resolution color photo and your personal contact information
